

July 2019

Dear Grand Blanc Academy All Star Families;

I hope you have enjoyed this summer. As usual, we have been working hard to plan on your child's return. It will be another great year of **supporting families and growing success**. We are looking forward to your child's new beginning! We are still busy taking enrollments and creating class lists. If you have friends or family that have talked about enrolling, but have not yet taken the initiative, please encourage them to do so quickly. We have several grade levels that are nearly full! Your child's classroom assignment will be posted at Open House. Teacher's return on August 19th for training and preparation. Please note the Board of Directors has also approved the school calendar. **Every Wednesday is an Early Release Day**. This is planned for teachers to continue to have Professional Development on a weekly basis so we can provide the best instruction for your child!

Our Open Houses are scheduled on:

Tuesday, August 27th from 5:00-7:00pm and Wednesday, August 28th from 8:00-10:00. We have tried to accommodate your working schedules by offering a morning and an evening session.

Our schedule has remained the same for this school year.

Free Breakfast is served from 7:30-7:55. Instruction begins at 8:00 and dismissal begins at 3:30.

Wednesday dismissal begins at 12:45.

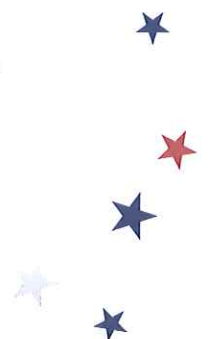

Free lunch is provided every day as well!

Classroom assignments and Bus lists will be posted during the Open Houses

Dismissal signs and car signs will also be available for pick-up

Please note that this event is a meet and greet just to stop in and meet the teacher. The teachers are anxious to meet you, your child, and will also provide a suggested supply list.

Please mark your calendar for Thursday, September 12, 2019 from 6:00-8:00. We have a fabulous speaker coming to talk to all our families. His topic is supporting your child's social and emotional learning.

We have a few new staff members for you to meet! Mrs. Lola Hopcraft will be our special education director, Mrs. Hargo is our new school social worker, and Mrs. Komatz is our new speech therapist. They make a dynamic addition to our special education department.

I know I have included a lot of information, but there is so much more to share. Please make it a priority to attend so that you have all the information you need to get started for the year!

The first day of school is September 3rd!

All the Best,

Mrs. Patty Wood and the All Star School Staff
