

GRAND BLANC ACADEMY

Dear GBA All Star Virtual Families;

Thank you so much for working with us to create a school that is safe for everyone! This letter is to inform you of the expectations for our hybrid model at GBA. Your child will be attending the remainder of the school year in the virtual setting. There are *not* a lot of changes aside from the schedule change to accommodate for Face-to-Face instruction.

The requirement is for the virtual students to *begin their day with our online learning platforms*. These are the weekly-required hours. This should be done by noon so that they will have time to have lunch and prepare for the live Zoom lessons with the teachers for the afternoon. This time is counted as instructional hours per the Michigan Department of Education.

This is the **weekly** expectation for each student

Students are expected to be logged onto the teacher's Zoom classroom no later than 1:00. They will be marked tardy if they log on late. The hours for Zoom sessions are 1:00 to 4:00. The learning schedule for the core areas will be the same as it is now. Wednesdays are virtual in the morning from 9:00 to 12:15 as it has been all along.

If for some reason, you need to come to the building you will need to call for an appointment, as we are not letting anyone in with the exception of needed vendors. Thank you for understanding that we are working hard to keep the staff safe so that they can continue to teach!

As always, if you need anything, do not hesitate to contact us at (810)953-3140.

Wishing you health and safety,

Mrs. Wood and the All Star Staff
